

Equipment List:

- ABI Sentry Counterfeit IC Detector
- BK Precision LCR-ESR Meter
- Caliper
- Creative Electron Truview Prime X-Ray
- Fancort CI-1 Compact Coplanarity Mirror
- Hitachi XMet 8000
- Innov-X X-Ray Fluorescence
- Keyence VHX Digital Microscope
- Lindberg/Blue Oven
- Mantis Elite Microscope
- Rigol Digital Multimeter
- Rigol Digital Oscilloscope
- Rigol Function-Arbitrary Waveform Generator
- Rigol Programmable DC Power Supply
- Solder Pot
- Tektronix, Inc. 576 Curve Tracer
- TruView X-Ray Fusion Inspection
- VacMaster Vacuum Sealer
- Xeltek SuperPro 6100

Value Added Services:

Direct Components offers a diverse range of value added services all under one roof. Our goal is to help you, our partners, complete your project according to specifications with quality parts; reducing lead times and overall landed costs.

Destructive Testing

- Solderability (Dip and Look)
 - For Non-BGA Parts Only
- Decapsulation

Non-Destructive Testing

- Resistance to Solvents (Acetone Only)
- Visual Inspection
- X-Ray Analysis
- XRF
- Electrical Testing
 - Pin Correlation
 - DC Parametric Testing
 - Passive
 - Memory Testing/Programming

Logistics Services

- Baking
- ESD/MSL Packaging
- Vacuum Sealing

WHO IS DCI?

- Celebrating Over 25 Years in Business
- Specializing in Xilinx and Altera Parts
- Millions of Board-Level Parts in Stock
- In-House Lab and Counterfeit Detection
- Worldwide Trusted and Approved Suppliers
